

LOGIA LIBERTAD UD OF RHODE ISLAND SPONSORSHIP PROGRAM

“Behold, how good and pleasant it is for brethren to dwell together in unity!”

Thanks to the infinite grace and blessing of the Great Architect of the Universe who fulfills the dreams of those who faithfully work for the benefit of others without expecting a reward for their actions; the great objective of our brethren of creating the first Spanish-Speaking lodge in the State of Rhode Island is at last something more than a hopeful idea in the mind or a private sentiment of the heart; it is a dream manifested and made real! A symbolic rough stone which after arduous work, has been transformed into a perfect ashlar — the corner stone upon which a foundation of Love, Brotherhood and Education is now built for every man in whose heart the masonic seed may be found present — A seed we hope will soon bear fruit. Our beloved Fraternity now opens its doors for all good men whose spoken language is Spanish; those whose language limitations have prevented them from reaching the threshold of our temples, but now are welcomed with open arms. It is of great satisfaction for us to have created something beyond ourselves for our brethren of today and those we shall meet tomorrow — A selfless act written in eternity, a part of our history not only in the United States of America, but in every part of the world as the true essence of Masonry is and will continue to be universal; something beautiful that extends beyond the firmament of heaven, towards the dwelling place of our Creator - God of our hearts.

We wholeheartedly thank everyone who continues to support this great dream of ours.

Yours in the Craft,

Logia Libertad UD

Logia Libertad Of Rhode Island

Dear, Brother / Lodge,

We are currently experiencing a very exciting period of time as Freemasons since we have taken it upon ourselves the arduous task in erecting the first Spanish-Speaking lodge in the State of Rhode Island, USA — currently located in the city of Providence. Our membership consists primarily of Spanish-Speaking Masons who are also active members of their respective mother-lodges in different locations within the jurisdiction of Rhode Island.

Our mission as the first Spanish-Speaking lodge in the state will be to aid and assist the people within our communities while reaching out to those future “Masons at heart,” who might otherwise remain at a perpetual distance due to language limitations. This year under the blessing of the Great Architect, and with your help, we hope to create a stronger link between us and our local communities. This is very important for us, and close to our hearts. As members of the craft have often been inspired to help those who need it most regardless of race, color, creed or gender; we ourselves have learned to do it with freedom, fervency and zeal towards our fellow brethren and masonic family.
